## GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT.

*Abstract Notification dated 11th January 1931.*

Attention is invited to Notification calling for tenders for carting materials relating to the reconstruction for the Mysore Transmission Lines in the Gazette, dated 15th January 1931, and sealed tenders are requested to be sent to the Office of the Chief Line Inspector, Sivasamudram, not later than the 30th January 1931, together with an earnest money of Rs. 50.

R. V. PATANKAR,
*Chief Line Inspector.*

*Notification dated 21st January 1931.*

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer, Bangalore, up to 2 P.M., on 12th February 1931, for constructing a block of two Operators, Quarters at Kolar Town.

1. The tenders will be opened in public at 2 P.M., on 13th February 1931. The work should be completed within three months and the monthly progress should be not less than Rs. 1,000.

2. The plans, detailed estimates and the conditions may be seen at the Chief Electrical Engineer's Office, Bangalore, on all working days during the office working hours.

3. Tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed. The rates should be in figures as well as in words.

4. Each tender must be accompanied by a deposit of Rs. 200 in cash in Government Promissory Notes, as earnest money and be superscribed "Tenders for Constructing a Block of Two Operators' Quarters at Kolar Town" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer also reserves the right to accept or reject any portion of the tender.

6. Within eight days of the award of the tender, the successful tenderer will be required to executive the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful tenderer will be posted on the Notice Board in the Chief Electrical Engineer's Office, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The construction work should be started within a week from the date of the notification of the acceptance.

10. Water for construction should be got at the contractor's own expense.

11. Specifications for works are those recognised by the Mysore Public Works Department and Marryot's specifications.

12. The contractor should be bound by the conditions of the Schedule of contract of the Electrical Department.
